Field Charles High. Condemned for Minedering his ife, who was punishe for the Fond Love of his Concents, the first knew that he had been formerly Constitute, as having been a Priferior berief. History cold e, that he had very Bulleton Education. I replied a greater is your Sin, as being against clearer Light, and for degenerating from the Counicle and Examples of one Ancestors. I told him, I har their Virtues could be fave him, unters he now repeat that he waske not in seis steps. The Pharifest boalled that they had Allow to their Pacher, but the Samili consured that proud effortion by afforting them, That every Tree which start tries faith good Frant I bould to brought up to any imployment, which expected him to many evil. Temptators in country from the strict Government to this Fact and thereby jultly left to fall into farther Extravious. I several times pray if with him, before he took in Tryal, to compose his Mind, for he was very impartent ander his imprilonment, than which there cannot a more harborous Fact. He said he was transported and cannot so have thorough him, before he took. The second remains the results by Cariff's Bloodshed will be shown from him therefore he took in the him, before he took in the second paint of the Ravish of St. Jeraph and shown to the second of the second shown to show the second shown to the second should show the second shown

of his Life may be any obtained particle his Life may be and of he bouts his his cess as formerly.

The Sixth, lession Mill or of Stepary C. He faid risk he was bred up to Hass with grid of the carries but meeting not with any syrecable to the ferved under a Plaistreer for me ip to Thir he is forry for all his sins against G. Statence of Death pastupon him. That is himself he may obtain God a surdon, and of Sterma Life. He feelined very sention. The rest of the Condesined were not we come of the Counce of their Life, therefor my Leport of this Selfon.
